

# Pan Atlantic Foundation

Per Department of State Regulation, each host family member is required to receive an orientation prior to student arrival that is separate from the host family interview. You are also required to receive the information listed below either from the Pan Atlantic Foundation main office, or during your Host Family Orientation. By signing this document, you are verifying that each member of your family received this orientation separately from your host family interview and that you have, prior to student arrival, received the documents and/or information listed below. Only one signature needed per host family.

1. Placement Information including details on whether the student's placement with your family is temporary or permanent.
2. Full student application including information about your student's background.
3. Department of State Regulations
4. Department of Statue Host Family Welcome Letter
5. Exchange program best practices
6. Cross Cultural strategies
7. Advise of need to inform sponsor of changes in address, finances, employment, arrests, or individuals living in the home.
